Request a Profile

The first request of your cam profiles should be performed your Mentor or your Teamlead.

Once the Profiles expire, you receive e-mails like screenshot **CAM_Mail_Request.JPG** below at the attachment section.

In such a case you need to click at "Request" and will land at the Request formular from the CAM Tool. See **CAM_Request_Formular.JPG** at attachment section.

At this point you will see the same information as in the mail before. As next click on Continue and you can enter the users which need the profile. See **CAM_Request_Formular_2.JPG** at attachment section.

As last you need to fill out the form with the following information:

key	value
Task	Member of itelligence Cloud Managed Service, daily operations access needed for monitoring and maintenance of servers and infrastructure
Sponsor	I529968
Expire	can be leave empty
Approver	Best case is to enter All

Example: Please see attachment **CAM_REquest_Formular_3_filled.JPG** and keep altered sponsor UserID in mind.

As last click on "Create Access Requests" and you are finished.
